

A huge well done to the children in 2AP and RBH for their class assemblies. It was fantastic to see inclusivity for all, as well as the sharing of knowledge and facts the children have remembered. 😊

Metropolitan Police talk to Yr.5 & 6 parents and workshops for children.

On Tuesday 21st February, the Metropolitan Police completed workshops for children in Yr.5 & 6 about Youth Produced Sexual Imagery (YPSI) and a workshop for parents.

PC Edwards emailed school after the workshops stating:

Dear Ms Harrow,

I know we spoke yesterday after my visit to school. I felt I had to write today to express just how very impressed I was with the year 5 and 6 pupils who attended my assemblies on Youth Produced Sexual Imagery. Their behaviour was exemplary during what can be a very challenging subject matter to discuss. They showed total politeness, maturity and respect and are a credit to their parents/carers and indeed your school. I also want to say thank you to the parents who took time out of their busy day to attend my 'explanation assembly' before school. Again this subject area can be a taboo subject but their support made my job far easier. Their questions and opinions were of great help. In a time where police are going through a very challenging time to maintain public support this in itself means a great deal to officers like me. Please do send this out to your parents in year 5 and 6!

I really hope that I can visit again!

Kind Regards

PC Mark 'Taff' Edwards MBE

Any further questions you or your child has around this topic please email them to hharrow@rainhamvillage.havering.sch.uk Ms Harrow will forward the questions on to PC Edwards who ran the workshop.
