Issue Date: **Monday 6<sup>th</sup> March 2023**

A huge thank you to all parents who were able to volunteer some of their time to come and talk to our children in relation to their careers. Thank you to staff who also organised visitors to come and talk and share their experiences during our enrichment week. We received positive feedback from both children and visitors.

## Parents' evening

By now you should have received an appointment time to see your child's teacher. If you have also requested to see Mrs Ashley, our SENCO, she will join you for the meeting time allocated with the class teacher.

If your response slip has been mislaid in transit from school to home, please call the school office - they have a list of all appointment times for both days.

On both evenings we will have books on sale from Scholastic - the school earns commission on all sales which helps to provide book prizes. We will also be selling study guides at a reduced price from the shops. Cash only please.

## World Book Day

Waterstones were suitably impressed by our KS2 children when they visited on Wednesday and Friday last week. Their positive attitudes to literature and their exemplary behaviour were a credit to both home & school.

## #LetGirlsPlay

Just a reminder that on Wednesday 8<sup>th</sup> March all classes will take part in football related activities - if the weather forecast remains the same, probably indoors. Please send your child into school in PE kits.

H R Harrow Head teacher

## Diary Dates
