

School places for September 2023

Thank you to all of those parents who attend our Nursery and other providers and put us down as their first choice for a Reception place starting in September 2023. We were heavily oversubscribed for the second year in a row with 86 parents indicating us as their first choice, unfortunately we only have 60 places on offer.

Free School Meals (FSM)

If you are unsure if you are eligible for FSM, please contact our school office on 01708 552482 or email admin@rainhamvillage.havering.sch.uk. It is important that all children who are eligible have applied for FSM as this allows the school to apply for additional revenue streams and in our ever constrained budgets, this is essential for the school.

Reading at home book prizes

So far this academic year we have awarded 203 free book prizes. To win a book prize your child needs to have read 64 times at home with an adult signing off each time your child reads to you. Will your child be next?

Scooters / balance bikes

If your child has out grown their scooter and it is good working order, please can you donate it to our Nursery and Reception classes. Our EYFS team would be very grateful.

Yr. 1 drop off in the mornings

Please begin to separate at the link way door, KS2 playground side allowing your child to walk across the corridor and through into their classrooms on their own. We ask you to start to do this in preparation for Yr. 2 where parents will say goodbye in the playground and to promote independence. Some children are already saying goodbye in the playground and are ready to do this, some children will need a little longer and this is also fine.

All parents will need to collect from the classroom doors as usual at the end of the school day.
