

## Full size pringle tubes

If you have any empty ones of these, please could you bring these into school for Mr Martin who would like to use them as tree sapling protectors - thank you.

## First aid slips

Any child with a first aid slip will be released last from the class at the end of the school day enabling the teacher or TA to discuss the slip with you.

## School Meal Holiday Scheme

School pupils in Havering are being offered meal support during the February half-term break. Applications for the School Meal Holiday Scheme are open and will allow eligible families to apply for £15 per child to buy food to replace the meals their child would have received at school. The scheme is run by Havering Council and is part of the government's Household Support Fund. Families that have previously received money for their child or children from the scheme and are still eligible, do not need to apply again, and will automatically receive the money into their chosen account. However, parents and carers should check the claims criteria on the Council's website as they may now be eligible to make a claim or are able to claim for an additional child. **Applications will close at 5pm on Thursday 1 February.** More information is available on the website. <https://www.havering.gov.uk/mealsupport>

## Friends of RVPS&N Summer Fayre

Please keep the afternoon free of **Saturday 29<sup>th</sup> June 2024 between 2pm and 4.30pm** as the Friends of will host their inaugural Saturday Summer fayre. This will be the first time we have held the fayre on a Saturday for more than 30 years. There will be multiple stalls, inflatables, various treats to sample, our choir will perform as will our History through drama group (If your child attends those clubs, please keep the afternoon clear) Entrance will be free so please come along and spend those pennies and support the school. If you can offer your skills or support on the day or before please email [rainhamvillageparents@gmail.com](mailto:rainhamvillageparents@gmail.com)

## Obesity.

Havering Council has launched a new public consultation to hear residents' views on leading a healthier lifestyle. Research shows that Havering has high rates of childhood and adulthood obesity, with approximately one in five reception aged children, two in five year 6-aged children and 65% of adults being overweight or obese, making the borough one of the most overweight in London. Where we live, work and play has a huge impact on what we eat, how much we eat and how much exercise we get during the day. If surrounded by unhealthy options, it makes it more difficult to have a healthy lifestyle. The new consultation opened this week and will run until Sunday 3 March. It will give residents a chance to have their say about how we approach our health and wellbeing and encourage them to make healthier lifestyle choices for a longer and healthier life. <https://consultation.havering.gov.uk/public-health/healthy-weight-strategy-consultation/>
